MEMORANDUM FOR: Chief, Plans Staff, FI  
SUBJECT : Extension of  
: ~~Renewal~~ for Project AECARRERA

1. In response to the desire of the FI Staff to stagger the renewals of projects expiring at the end of the fiscal year, it is requested that project AECARRERA be allowed to be presented for renewal two months later than its expiration date, that is by 31 August 1957.

2. The postponement is particularly convenient in the case of AECARRERA as the responsible Headquarters desk officer is undergoing training at the present time.

3. Extension is therefore requested for the period 1 July through August 1957 at a cost of \$3,480 (\$1,400 Compensation, \$60 travel, \$1,980 operational uses, and \$40 Operational supplies).
